Food famine flips to feast

Jewel-Osco to build at 59 and 173

by GLORIA Davis

A bright light broke through the smoke clouds in Antioch, created by the Jewel fire and the closing of the A&P in March. On Friday, May 21, Antioch Mayor Ray Toft and Tim Schwartz, real estate manager for Jewel Food Stores, announced the signing of the contracts for a new Jewel-Osco store location at the northwest corner of Rtes. 59 and 173.

Schwartz said that he hoped to have all approvals in within 60 to 90 days and to start construction in August of the proposed 43,377 square foot store, designed to face Rte. 59. A March 1983 opening is anticipated.

Seven businesses are presently leasing buildings on the property purchased by Jewel from Lillian Simonsen and the three Osmond sisters, Eileen Lewin, Antioch; Joanne Osmond, Palos Park; and Mary Nevitt, Wisconsin.

All seven buildings will be torn down to facilitate the construction of the Jewel-Osco store.

Don's Drive-in, the Sunshine Laundry, on Rte. 59 and Lake County Tile, Behning's Auto Parts and Smiley's Corner on Rte. 173, all have short term leases.

"These tenants will be given notice of lease termination immediately and have time to look for another location," said Schwartz.

The other two businesses, Kentucky Fried Chicken and Swans' Liquors, both on Rte. 59, have long term leases.

"They will be given a choice of staying out their leases or leaving now, but either way they will not hamper construction since they are located in the parking area," said William Newby, Jewel's vice-president of public relations.

Newby added that the loss of the Antioch Jewel on Lake St. in March's fire put this project on Jewel's high priority list due for immediate expediting.

The new store will be three times the size of the old store with parking space for 200 cars, four time greater than that afforded at the previous store.

"This Jewel-Osco combination will be slightly smaller than the one just opened in Mc Henry, but still rates at the top of the Jewel-Osco concept," said Newby, adding, "there will be no walls between the two facilities that will have single checkout counters. The combination will offer the community a wide range of drug and general merchandise items important to the daily convenience needs of families."

According to Antioch Building Inspector Dick Stroner the remains of the former Jewel on Lake St. will be torn down and future plans for the property are presently unknown.

Newby said that Jewel had looked at the former A&P Store in the Antioch Shopping Plaza but found it too small for the Jewel-Osco concept.

Toft had earlier announced that there were negotiations in progress to bring a super-market into the A&P site by August but the identity of the grocery enterprise is still unknown.

Dominick's on the way

Local developer Tom Santino said that he has letters of intent from Dominick's Finer Foods, Inc., North Lake, to build a super-market on the southwest corner of the intersection of Rte. 59 and Grass Lake Rd.

Santino added that the plan for the new L-shaped shopping complex in the commercial part of the Harbor Ridge Development, in Antioch Township, owned by Santino, includes seven other buildings.

"Other commercial enterprises have already given me commitments," Santino said.

The sign announcing the shopping project was raised on its site on Thursday, May 20, and the developer reported that he expects all the buildings to be built at one time with a six to nine month completion date targeted for spring of 1983.

Antioch's Mayor Ray Toft said that Santino would be in favor of annexing to the village if the village would do the work of setting up an annexation alley down Rte. 59. Toft added that this was a feasible possibility.

Santino had requested that the Harbor Ridge Development be annexed to village in 1972 and was refused after an involved controversy.

Toft said, "The village would be in good shape if that property had been annexed then." He was referring to the tax value of the 300 residents there plus the future sales tax.

Former Antioch Mayor Mike Haley often said that not annexing Santino's property was a mistake, "but the wishes of the voters were listened to at that time."

Antioch Holding Co. purchasing 3 others

by GLORIA DAVIS

According to Andrew Bernhardt, president of the Antioch State Bank, the Antioch Holding Co. is in the process of purchasing three other bank holding companies. When the merger is completed, by the last quarter of 1982, the combined assets of the surviving corporation, the Independent Banc Corp. Holding Co., will total \$275 million.

The other banks and holding companies involved are FNB Co. and the First National Bank of LaGrange in La Grange; WESCO Investments and the West Chicago State Bank, West Chicago, and the New Lenox Holding Co. and the New Lenox State Bank in New Lenox, near Joliet.

The Antioch Holding Co. will exchange shares with the other holding companies and

in turn all the minority shareholders of the other three banks (one hundred percent of the La Grange Bank is already owned by FNB Co.) will be offered a chance to convert their shares into shares of the Independent Banc Corp.

"I'm very excited about this," said Bernhardt adding, "This move will bring added stability to all the banks."

Bernhardt went on to say that this new concept in banking will still keep the local flavor while providing more professional management of the banks.

"Antioch will greatly benefit because the local bank will have greater assets to accommodate the community as it grows, without bring in outside interests," Bernhardt added.

Wedding

Mr. and Mrs. Dean Vendl

Virginia Marie Skrzynecki and Dean Charles Vendl, both of Fort Collins, Colo., were married April 24 at St. Peter's Church, Antioch.

The bride is the daughter of Dorothy Sutton, Fort Collins and Frank Skrzynecki, Antioch. Parents of the groom are Charles and Eleanor Vendl, Antioch.

Maid of honor was Wendy McHenry, Park Ridge; with bridesmaids Sharon Gauger, Judy Kettner, Cynthia Skrzynecki, Lisa Skrzynecki and Kathie Endres. Flower girls were Kirsten Kettner and Jennifer Endres.

Best man was Jon Davies with groomsmen David Trenlage, Mark Kettner, Phil Martinez, Bart Engels and Larry Vendl. Ushers were Christopher Skrzynecki, Chuck Prochnow and Kevin Swazas.

A reception was held at Andre's Steak House, Richmond.

The bride is a graduate of Main North High School, Des Plaines and attended William Rainey Harper College, Palatine. She works in the visual merchandising department of Fashion Bar.

The groom is a 1973 graduate of Antioch Community High School, College of Lake County and University of Illinois at Champaign-Urbana. He is a product engineer at NCR Corp., Fort Collins.

They are living in Fort Collins.

Sequoit sluggers win diamond title

Recovering from their 5-2 loss to Warren on Monday, May 17, the Antioch varsity baseball team clinched the Northwest Suburban Conference championship with its 6-3 win over Round Lake, on Wednesday, May 19.

Les Zitkus was the winning pitcher for Antioch. The Sequoits scored their first run in the second inning, three runs in the third inning, one in the fourth and the final run come in the fifth.

At the end of regular season play, Antioch had an

11-3 conference record and a 15-6 overall record.

Antioch is slated to play the winner of the Mundelein-Waukegan East game, at 4 p.m., on Thursday, May 27, at Antioch, for the Illinois High School Assn. (IHSA) regional quarter finals.

If the Sequoits win they will go on to the semi-finals at 1 p.m., on May 29, at McAree Field, Waukegan.

The IHSA Regional Championship game will be played at 1 p.m., Monday, May 31, at McAree Field.

Orioles top league

in Antioch Little League play on Monday, May 17, the Giants beat the Dodgers, 7 to 4, and the Tigers edged the Astros, 7 to 6.

Tuesday, May 18's game between the Cardinals and the Orioles was rained out. On Wednesday, May 19, the Cubs won their game against the Yankees, 7 to 4.

On Thursday, May 20, the Dodgers beat the Astros, 8 to 5, and the Orioles blanked the Cubs, 8 to 0.

On Saturday, May 22, the Cardinals won their game with the Yankees, 4 to 1, and the game scheduled between the Giants and Tigers was rained out.

The Yankees are now at the top of the American League with a 2-2 record, the Tigers are 1-2, the Dodgers are 1-3, and the Astros are 0-3.

The Orioles lead the National League, with a perfect 3-0 record, the Cards are second with 2-0, then come the Giants, 2-1, and the Cubs are in the cellar with a 2-2 record.

Antioch's Junior Girls's Softball League had bad luck with the weather with all their games called either for rain or cold weather except for the one between the State

Bank of Antioch and Orchard Dental.

The girls' softball managers worked for hours to make the field playable. The State Bank won, 11-5.

Orchard Dental was really hitting but the State Bank played a good defense. State Bank's pitchers were Michelle Pevelski, Debbie Henning and Elizabeth Glenn.

Outstanding State Bank hitters were Linda Berkiel, Michelle Pevelski, Danielle Cullen and Kelly Beckley.

Girls win NWSC loop championship

The Antioch Sequoit girls track team won the Northwest Suburban Conference meet held at Antioch High School.

The Sequoit scored 124 points for first place; Warren 112 points for second, and Lake Zurich 95 points for third.

The conference meet victory placed the Antioch girls in a tie for first place in Conference with Warren.

IN THE NORTHWEST Suburban Conference, duel meet wins count equally with conference meet placement, and Antioch's only duel meet loss of the season was to Warren, by a score of 66-62, thus creating a co-championship.

This season the girls placed high in all invitational: being fourth at Lake Forest; fifth at Glenbrook South; and sixth at Waukegan West.

The team was 8-1-6 in duel meets.

The team was led this season by outstanding hurdler Joanne Aguilar, and outstanding shot and discus thrower, Laura Heden.

The team selected as its captain, senior long-jumper and hurdler, Eyndi Mills; as most valuable, senior hur-

dler and sprinter, Oguilor; and as most improved, sophomore sprinter and relay runner Sue Lemke.

IN THE conference meet, coach Ken Anderson was extremely pleased with the performance of the Sequoit girls, as several school and conference records were broken.

The girls showed more intensity and desire than at any other time all season.

Ask Dr. Sven

WHAT IS TJM?

Q: I've been getting pains around my ears and throat, but the doctor can't find anything wrong. He suggested it might be a dental problem. How can that be?

A: Many problems can cause chronic facial pain. Lately, attention has been focused on problems surrounding the temporomandibular joint (TJM) which controls opening of the mouth.

Problems in the TJM area can affect anyone, but they are more common in women. There may be pain in front of the ear, or over the jaw or temple area. Chewing may be painful, and opening the mouth wide may be difficult or impossible. There may be clicking in the ear.

Usually, the problem is not in the joint itself, but in the muscles and ligaments surrounding it. Grinding of the teeth during sleep can be a triggering factor. A bad bite or emotional stress may also bring on the problem.

Treatment of pain in this area is becoming more effective. Medication can be used in the short run, but most treatment is aimed at eliminating the causes of pain. Oral appliances may be necessary, as well as dental treatment to eliminate a bad bite.

Car bursts into flames after speed chase

by GLORIA DAVIS

According to Lt. Tom Fisher of the Antioch Police Dept., a high speed chase, that began at the intersection of Rte. 83 and North Ave., at 12:27 a.m., on Tuesday, May 18, resulted in the roll-over of a car driven by Larry Feltner, 30, Waukegan.

Fisher said that Sgt. Charles Watkins of the Antioch Police Dept. began the pursuit when he observed the vehicle as it ran the stop sign at Rte. 83 and North Ave.

Feltner's car turned right on Second St. and sped westward, then turned north on Parkway Ave., running the stop sign at the intersection of Second St. and Parkway Ave.

Running another stop sign at the corner of Parkway and North Aves., the chase continued eastward, making a circle back to North Ave. and Rte. 83 where it began.

At this point Feltner's car again ran the stop sign at that intersection at a speed calculated to be 60 miles per hour.

As Feltner continued south on Rte. 83, he reportedly lost control of his car when he was

approaching Windsor Dr., weaving across lanes of traffic. The car sideswiped a utility pole on the east side of Rte. 83, traveled 52 feet and hit a tree, turned upside down, struck another utility pole and finally caught on fire, trapping those inside.

Watkins and Officer Robert Lange, who had arrived on the scene, helped those trapped get out of the overturned vehicle while Officer Bert Metz put the fire out with a fire extinguisher.

The Antioch Rescue Squad took Feltner and a passenger, Laura Littner, 17, Round Lake, to Victory Memorial Hospital, Waukegan, for treatment of injuries.

Feltner was later taken to Lake County Court where he was charged with running four traffic signs, going 60 miles per hour in a 30 mile per hour zone, improper lane usage, reckless driving, driving on a suspended drivers' license and fleeing and eluding the police.

He was released on bond pending a hearing in Fox Lake, at 3 p.m., on June 23.

Lackie pleads guilty

With tears in his eyes, Rodney C. Lackie, 19, Great Lakes Naval Base, pled guilty to charges of reckless homicide in the deaths of Ann Brierly, Glencoe, and Lilach Shazar, Wilmette, resulting from a two car accident at the intersection of Rte.'s 173 and 83, Antioch, on June 21 of last year.

It was Lake County Circuit Court Judge William Block's denial of the motion made by Lackie's attorney that all testimony on drugs taken by Lackie prior to the accident be squashed that seem to trigger the guilty plea.

According to Antioch Police Lt. Tom Fisher, his department had worked hard preparing a case against the Great Lakes sailor but Lackie made his plea without even going to trial. He is due for sentencing by

Block on Thursday, July 8.

Witnesses at the scene of the accident had reported that a northbound car driven by Lackie ran the stop light at the intersection at a high rate of speed and crashed into a car that was eastbound on Rte. 173, driven by Ken Meyer, 18, Glencoe. Brierly and Shazar were passengers in the eastbound car.

The Antioch News office will be closed on Monday, May 31 because of the Memorial Day holiday. The May 31 issue of the News will come out Tuesday, June 1.

The Time Machine

FIFTY YEARS AGO: May 26, 1932

Frank Huber, who for many years was the head of the Antioch Fire Dept., received a new honor when he was named president of the Lake County Firemen's Assn.

The peace and quiet of Antioch was broken on Memorial Day weekend as it again became the mecca for the cities' tired businessmen.

William VanDeLinde, well-known Antioch decorator, opened a new paint store, sharing the building at 879 Main St. with H. P. Lowry, a plumber.

The Lake Villa School graduated eight eighth graders.

The News ran a short article on the fact that W. L. Adams, who was bloated with gas, bought Anderika at King's Drug Store and soon felt fine and could eat anything.

THIRTY YEARS AGO: May 22, 1952

Harold and Frances Cardiff opened a new restaurant at 904 Main St.

Charles Bock was elected president of the Antioch High School Student Council.

The Pasadena Dance Hall, just outside of Antioch, featured Dixieland music over the weekend.

"Singing In the Rain" was the musical movie playing at the local drive-in theater.

The Antioch Township Library received many fine books of interest to teenagers as a memorial gift for Kathleen Kennedy.

TEN YEARS AGO: May 24, 1972

Warren Polley was named superintendent of the Antioch High School Dist. and there was an open house in honor of the retiring superintendent, Albert Dittman.

Lloyd Murrie, Antioch Township supervisor, said that he saw little hope for Developer Tom Santino to receive county zoning approval because of the expected increase in local school enrollment.

Fred Sorenson moved into the John Darby house on Park St. and Webb's Racket Store, owned by the Webb family since 1909, was sold to Mr. and Mrs. Don Gibbs.

Robert Krieger and Jane Lassen were elected Antioch High's outstanding senior boy and girl.

Tax rates in Lake Villa school district went down.

Father Francis Johnson announced plans for a permanent memorial to the late pastor of St. Peters Church, Father Alfred Henderson.

The memorial decided upon was the renovation of the church's altar.

When I think about it

'Don't glance backwards!'

by GLORIA DAVIS

Unlike Lot's unfortunate wife, I've been lucky enough to learn not to look backwards, sideways or in any direction whatsoever, after making any kind of a decision.

Now I didn't arrive at this hard-won place in the sun without suffering the scars of frustration one gets by leaving decision's door ajar.

Once upon a time, whenever I chose the shortest line at the Dairy Queen, the one with only two people in it versus the one with 10, I usually ended up watching the long line dwindle while the first person ahead of me ordered for a bus that was parked in the back.

So I thought I would cease to be a lady in waiting by switching to the fastest moving line in front of the teller's cage at the bank, but the moment I joined a fast moving que, the person approaching the window decided to do his yearly banking.

So much for the sideways glance!

I remember playing one slot machine in Vegas for an entire afternoon, waiting for it to pay off and, after stomping away penniless and dejected, looking back just in time to see a little old lady in Bermuda shorts, anklets and high heels, who had been lurking in the corner, put one quarter in.

I'll never forget the sound of that siren that went off announcing the jackpot win!

That's when I learned that looking back was only for ancient history students.

Want another tip that might keep you off of a Malox diet?

Don't ever follow the selling price of a stock that you have just sold at a slight profit. The last time I sold some stock, I know that my phone was tapped by some fiend standing on the floor of the New York

Stock Exchange. How else could Western Mongolian Copper have sky rocketed so fast?

Just take your profits, count yourself lucky and forget that stock's name.

And gals, if you really want to hold on to your sanity, the next time you break your neck and your bank account to buy a dress for that special occasion, rush out of the store and don't go shopping for the rest of the season or you'll see that identical dress on sale, or worse, find one twice as chic for half the price.

No more of that stuff for me! No longer am I the main support of the Stresstab Co.. Now all the sedatives in my medicine cabinet are at half mast.

Well I didn't claim to be completely cured, did I?

I'm only human and when dining in restaurants that have voluminous menus, after ennie-meanie-ing my way to a decision, the things everyone else has ordered still look better to me when the food arrives.

And when playing Monopoly, I still consistently land on property I sold and my opponent has put two hotels on.

Oh well, I guess I'll never really learn. Maybe all that experience does for punishment gluttons like myself is let them recognize their mistakes the second or third time around.

Maybe experience is the worst teacher of all, since it puts you through the test before giving the lesson.

My best bet could be to stay away from the DQ. (I could use the calorie loss anyway), bank by mail and make my decisions according to my horoscope.

Along the way with ANNIE MAE

The rest will be a "piece of cake," anniversary cake that is, for Barbara and Harold Wilson who will celebrate their 50th wedding anniversary on Sunday, June 6, with their family, friends and neighbors at the Antioch V. F. W. Hall on North Ave., from 2 to 5 p.m.. After all the first 50 years are the hardest!

★★★★★★

I see where former Antioch High School athlete Keith Rezin was honored with a varsity "A" blanket for four years of service to the Augustana College athletic department, at a banquet on May 15.

Rezin was a four year letter winner in golf and served as the captain of the team during his junior and senior year when the college won four College Conference of Illinois and Wisconsin championships with his help.

★★★★★★

Congratulations to Dr. W. C. Petty who was the first Antioch resident to receive the Distinguished Illinois Citizen's Award, at the 13th commencement at the College of Lake County, on May 15.

★★★★★★

Old Annie Mae has her deck shoes on, ready for the Great Lakes Boat Club's Spring Regatta, which will be held at the Wharf on Grass Lake, on May 30.

Some of the boats are expected to exceed speeds of 100 miles per hour in races that are set to start at 12:30 p.m..

★★★★★★

Congrats to two of Antioch's scholars, John Belucci, who is on the dean's list at St. Joseph's College, Rensselaer, Ind., and Robert Hunley who was named to the president's honor roll at Jacksonville University, Jacksonville Fla..

★★★★★★

Sincere condolences to the family and friends of former Antioch resident Eva Deering, wife of Dr. David Deering who was a local physician during the 1930s and 40s. She died in

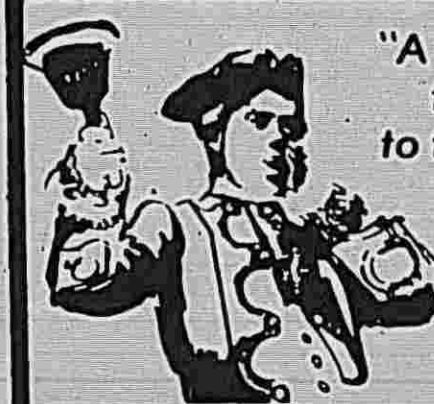

Piercetown, Ind., on May 4.

★★★★★★

More congratulations are due Antioch scholars that have completed the long four-year college struggle: Clare C. DeMartini, who received her bachelor of arts degree, summa cum laude, from Barat College, Lake Forest; Kris-Ann Fournier Miller, who received her bachelor of arts degree in business management at Barat and Mary Patricia Carney, who received her bachelor of science degree from Barat.

PM&L's 'Cat' to open on Saturday, May 29

Tennessee Williams' "Cat on a Hot Tin Roof" will open next weekend at the PM&L Theatre, 877 Main St. in Antioch. The first presentation is set for Saturday night, June 5, with later evening performances scheduled for Friday and Saturday nights, June 11, 12, 18 and 19.

There will also be a Sunday matinee on the afternoon of June 13. PM&L's Sunday matinees have been increasingly popular in recent years. This is often a good time for families and other large groups to see a show

together, and you are advised to make your reservations early if you are especially interested in the afternoon performance.

"Cat on a Hot Tin Roof" is one of Tennessee Williams' most successful plays. It tells, bluntly and frankly, a shocking tale of mendacity and greed on a dying southern plantation.

The story is poignant and sometimes bawdy as it traces the gathering, like vultures, of a group of expectant heirs around a cancer-stricken plantation owner.

The PM&L production is directed by Barbara D. Miller, whom many know as the director of the dinner theater shows at Andre's in Richmond.

The principal performers in her cast are Gerry and Mickey Mandel of Fox Lake as "Big Daddy" and "Big Mama;" Colleen Jordan, Crystal Lake, as Maggie the cat; Larry Grant, Elgin, as her husband Brick; and Harry Bartlett, Fox River Grove and Carole Mullowney, Fox Lake as "Brother Man" Gooper and his wife, "Sister Woman" Mae.

They are joined in supporting roles by

Mike Giebelhaus, Lisa de Benedetto, Angel Cox, John Lindgren, Mike Galdine, Paul Biel, Tom Hausman, Katrina Meyer and George Blanksten, all of Antioch.

Now is the time to make your reservations to see this final entry in PM&L's Season 21, now drawing to a close.

To do so, you should call (312) 395-3055. Curtain time is 8:30 p.m. for the evening performances and 2:30 p.m. for the Sunday matinee, and you are asked to check in at the PM&L box office at least 15 minutes before show time.

Memorial Day thought

PEACE ON EARTH

by PATRICIA CHAPMAN

From the beginning, wars stem from greed

Drafting young men to fill their need.

For investments, oil and territory,

Men go through hell for Old Glory.

They die on the fields like slaughtered sheep

Their lonely parents left to weep.

On the battle field, gone is their worth,

Never... never to inherit the earth.

Join the young... make all wars cease.

Join the young... for everlasting peace.

EDITORS NOTE:

Patricia Chapman is a 70-year-old resident of Antioch who has had her writings published in many small newspapers, magazines and religious periodicals.

She and her husband Russell moved to the area from Park Ridge four years ago after running a gourmet shop there for many years.

In the light of today's international headlines, the News felt her poem "Peace on Earth," is an appropriate Memorial Day feature.

Legion, VFW to salute vets May 31

The Antioch American Legion Post 748 with the Antioch VFW Post 4551 and their auxiliaries will sponsor a Memorial Day parade on Monday, May 31.

The parade will start at the high school at 10 a.m. and will finish at the Village Cannon on Orchard St. and Loft Ave.

Any organization that wants to participate should call Jim Ferrier at (312) 395-2631 or at the Village Hall at (312) 359-1000.

Providence to appear

"Providence" will be in concert at the Antioch Evangelical Free Church, Tiffany Rd. and Highview Dr., Sunday, May 30 at 6 p.m.

"Providence" is a six member musical group, uniquely appealing to all ages. It had its beginning in the Antioch Free Church, but has extended its ministry to schools, colleges, prisons,

other churches, and their recordings can be heard over local Christian radio stations.

Say's the group, "Our message is about Jesus Christ, and what he has done for us and what he can do for you."

For additional information about "Providence" call (312) 497-4134.

DON'T SPEND SUMMER SPINNING YOUR WHEELS.

Northern Illinois winters taught us to make the most of northern Illinois summers.

But you have to work at it. Because the minute the air conditioner goes on, those little dials on the meter start moving faster. Sending most electric bills higher than in any other season of the year. Partly, because air

conditioning naturally eats up a lot of electricity. And partly, because summer rates are higher than in any other season of the year.

It's been that way since 1979, when we stopped using the old, uniform, year-round rate. Raised it in the four summer months when electricity costs more to

make. And lowered it the other eight to compensate.

Obviously, one of the big benefits was getting you to conserve. To help cut back on the growing demand for electricity every summer.

It's not impossible. Far from it. Those little dials don't have to move so fast. In fact, we know of at least a

hundred things you can do to slow them down.

They're listed in our Waste Watcher's Guide, which is yours free.

(Write: Department AV, Box 767, Chicago, IL 60690.)

It'll help you conserve electricity, so you can save your money.

And spend your summer.

Approve CDBG funding to help two lakes, Knolls

An important step towards two lakes and one subdivision in the Antioch area receiving needed funds took place when the Lake County Community Block Grant Commission gave advisory approval on the distribution of almost \$60,000 in Community Block Grant Funds.

The commission approved \$20,000 for the drainage of Lake Catherine and Channel

Lake and \$38,445 for the repair of the storm sewers in Oakwood Knolls.

The repair of the storm sewers is expected to relieve a long-standing flooding situation in the subdivision.

The funding approval still has to get county and final federal approval before any of the funds are distributed.

America's favorite show will arrive in Antioch

The Franzen Bros. Circus, "America's Favorite Show," proudly presents one of the finest collections of trained Royal Bengal Tigers and African Nubien Lions touring with any circus in the United States, today.

Everyone in the family will be awed and thrilled as these magnificent animals are put through their paces by Wayne Franzen; acclaimed by the circus world as one of America's finest wild animal trainers.

The big jungle cats, part of a two hour circus extravaganza, including horses, exotic animals, elephant act, and a host of circus stars from around the globe, will be arriving in Antioch for two performances at 6 and 8

p.m., on June 8.

The beautiful Franzen big top will be erected at Upper Grade School in the upper loft area the sight for this year's circus.

This year's sparkling edition of the Franzen Bros. Circus is being sponsored by Antioch Chamber of Commerce and Industry. There is a substantial savings in purchasing advance tickets at the following locations: Ben Franklin, State Bank of Antioch, First Bank of Antioch and the Antioch Savings & Loan.

Remember that ticket prices will be higher at the gate of the circus. No advance tickets can be sold on circus day.

ACHS sets summer driver education class

Antioch Community High School Dist. residence between the ages of 15 and one-half and 21 are eligible for the summer driver education program. The only cost to the student is \$20 for a permit/license.

The complete integrated course is being offered starting Tuesday, June 15 and completing on Friday, July 30. Students at the high school and other district residents between the ages of 15 and one-half and 21 may enroll by reporting to the driver education-athletic office in the gym foyer between 8 a.m. and 4 p.m. before June 3.

All those enrolling must complete the application data sheet and receive the rules and regulations in order that state materials may be processed.

Students planning on going to camp or vacation between June 15 and July 30 should

not enroll. Since the program is state sponsored, specific hours and minimum requirements must be met.

The driver education course at Antioch is an integrated program consisting of 33 hours of classroom, 12 hours of simulation, three and one-half hours on-the-street driving, and three and one-half hours of observation.

The behind-the-wheel instruction is given in late model cars furnished by two of our local dealers.

The on-the-street instruction is completed on the school lots, our local streets, county and state highways, as well as nearby expressways. The cars in the program are furnished by Lyons-Ryan Ford and Raymond's Chevy-Olds.

The community owes a "big thank you" to these two fine local dealers for helping with the education of our young people.

Enrollment will close June 3. If interested, report to the driver education-athletic office between 8 a.m. and 4 p.m., Monday through Friday, before June 3.

MUSEUM MEETING

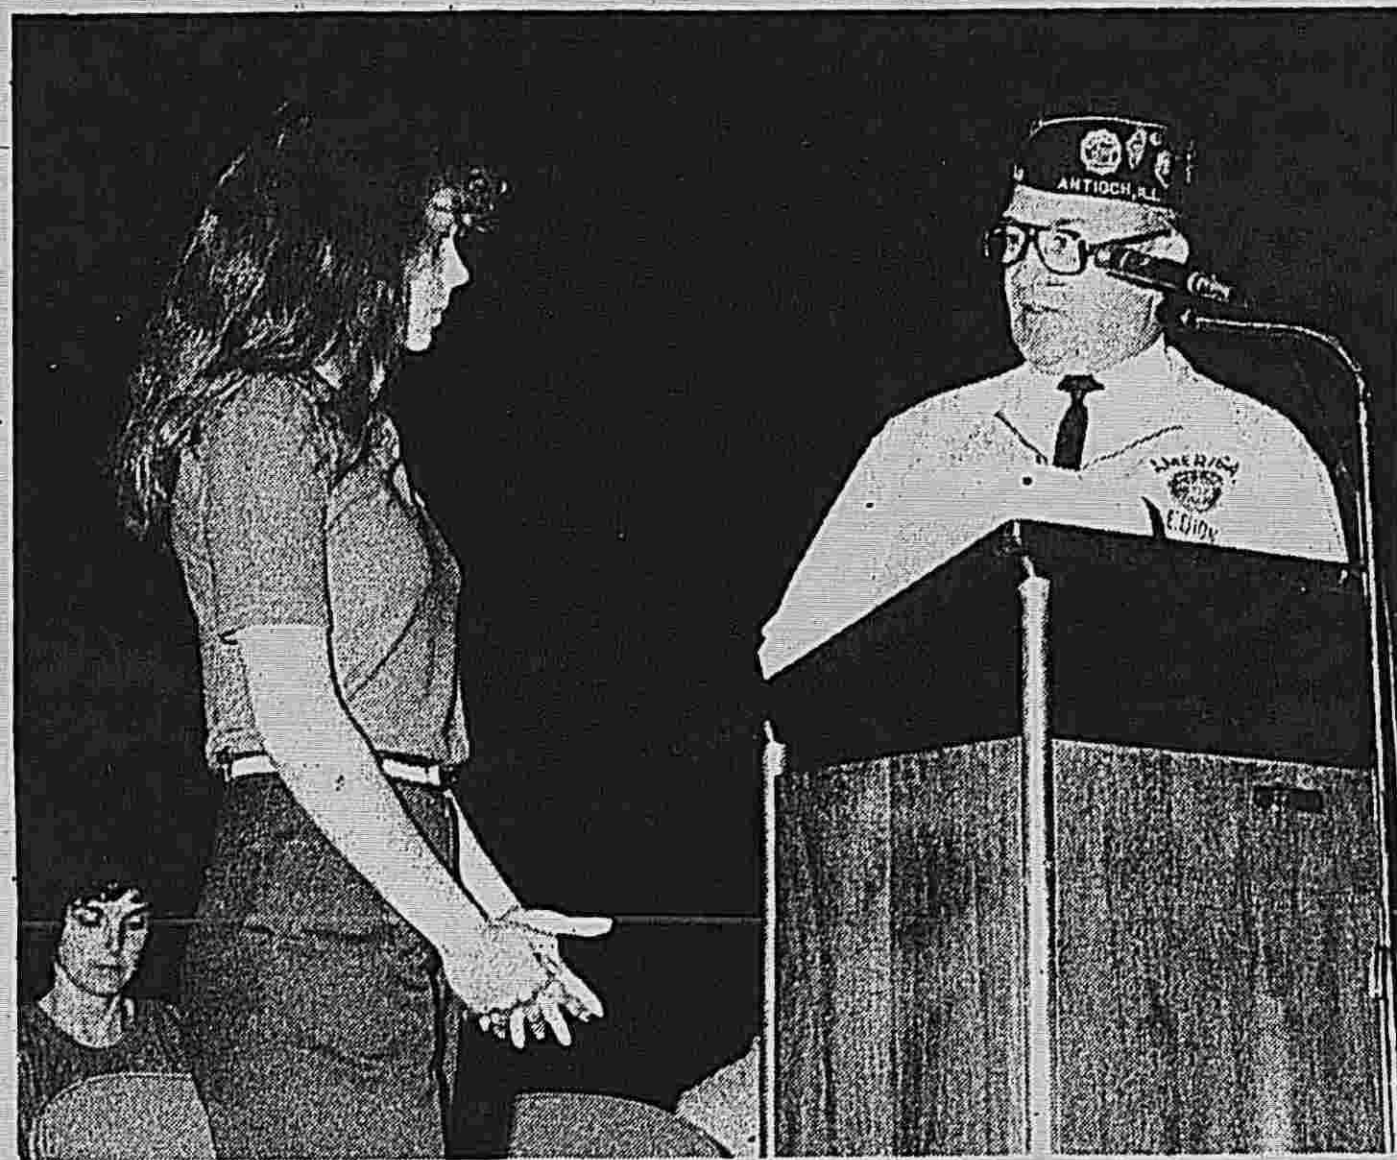

There will be no meeting of the Lakes Region Historical Society on May 27. The meeting slated for June 24 will be held as planned.

Two men were college Presidents before they became Presidents of the United States — Woodrow Wilson and Dwight Eisenhower.
